**Managing Director & CEO
Axis Trustee Services Limited**

Dear Shareholders,

Your Company is in Trusteeship, Agency and Administration service business led by a strong management team with extensive experience and a successful track record in serving the stakeholders.

FY 23 was an important milestone and critical year in the journey of Axis Trustee Services Limited (“ATSL”). The management took some strong and positive strides towards strengthening the controls and internal hygiene by redefining the Revenue Recognition policy, strengthening the provisioning norms and focusing on debtors recovery apart from maintaining strict audit and risk controls which is crucial for the sustainability of the organization and is in line with the Risk & Compliance culture of the Axis group.

In FY 23, your Company recorded topline growth of 14% with total revenue of Rs. 53.95 Cr. in a market which witnessed heavy undercutting in pricing across product lines specifically in Debenture trustee and AIF business. The Company achieved higher revenue from product segments of security trustee, escrow agency, lenders/ facility agent. Your Company also maintained leadership position in InvIT, REIT business and Escrow agency, and became a trustee partner to many public sector banks like SBI, Canara Bank, Bank of Baroda, EXIM Bank etc. during the year.

Continuing ATSL’s “Lakshya” strategy and Transformation journey based on the three critical pillars of people, process and product, the management invested in people and their skill development; revamped and streamlined processes/systems; added product categories & forayed into new business lines. There is a strong focus on innovation and enhancing expertise across products and industry first thinking which got a fillip through the partnership with industry experts.

Your Company has also set up an illustrious Advisory Panel of market experts, consultants, and advisors to strengthen its product innovation, outreach and research capabilities. Your company has undertaken many industry leading employee initiatives primarily in the field of Learning & Development by conducting specially curated certification programs on “Fintech in Capital Markets, Fund Administration” etc.

With this and along with an enhanced client facing framework, a strong transition is now taking place towards reorienting ATSL as a business and growth focused enterprise. As we enter this accelerated phase of growth, our investments in technology enablement, enhancing customer experience, risk management and mitigation are critical / essential and ATSL is taking all steps to ensure this vision is achieved.

Your Company contributed Rs.53,24,000/- towards CSR. Axis Bank Foundation [ABF] as an implementing/nodal agency undertook CSR Activities during FY23 on behalf of ATSL. The CSR contribution was utilised towards supporting the Sustainable Livelihoods Program which focuses on livelihood enhancement for socio economic backward districts and rural communities across the Country. The Program focused on livestock management, watershed management, agriculture advisory, skilling and entrepreneurship development, institution building and health & nutrition activity.

The contribution was fully utilized for educating agricultural related practices in 3 districts i.e. Basti, Bahraich and Lakhimpur Khiri of Uttar Pradesh with an outreach of over 12,723 families. The key activities involved in the programme included training improved agricultural practices, practices for Mentha cultivation for enhanced yield & viability, setting up of 146 demonstration plots to promote practical learning by farmers and setting up of 49 Nutrition Gardens (Poshan Vatikas) for improved nutritional security.

The Trustee industry is growing in relevance empowered with higher accountability, roles & responsibilities. By undertaking independent monitoring of compliances & periodic checks, your Company is supplementing regulators' intent towards improved value / protection to investors and facilitating better governance leading to increased issuer and investor confidence, larger participation and market deepening. Powered by strong parentage/ brand, proven product expertise and regulatory understanding, strong corporate governance and leading industry practices, your Company is the preferred Trustee for Stakeholders and is playing a leading role in policy matter contribution for the industry.

Your Company is well poised for steady growth and market share given its wider offerings, market presence, digital solutioning capabilities apart from process re-engineering, strengthening talent onboarding, skilling & training.

Warm Regards

Deepa Rath

MD & CEO

Our Business

Your Company is in Trusteeship, Agency & Administration service business led by a strong management team with extensive experience and a successful track record in serving the stakeholders. The Company's trusteeship offerings cover debt securities (debentures/bonds), loan backed securities, Alternative Investment Fund Trust (AIFT), Real Estate Investment Trust (REIT), Infrastructure Investment Trust (InVIT), Securitised debt instruments, etc. The agency services primarily relate to managing & monitoring syndicated credit facilities, Escrow Account, Trust & Retention Account, Safe custody of documents, etc.

The Company did not change its nature of business during the Financial Year 2022-23.

Your Company forayed into providing trusteeship services relating to Estate Planning and Administration [Family Office], advisory & administration services for cross boarder transactions and Fractional shares transactions in the last FY. Your Company also laid foundation of Securitisation business during the year and expects to become a leading player in this segment soon by leveraging tech & domain expertise being built internally and well poised to reap benefits of the same in coming fiscal. The company focuses to capitalize the opportunities based on emerging regulations and has started acting as P2P Trustee to many P2P platforms.

Your Company has achieved runner up position in DT business as per AUM in FY2023, thereby, keeping a stronghold in its core business lines, while continuing its lead in both REIT & InVIT markets. This year your Company emerged as a very strong force in the AIF market both in Domestic and Gift City jurisdiction, and continues its focus on Gift City by building strong ecosystem business partnerships, regulatory dialogues and product & service enhancements given the strong growth opportunity.

This year saw the emergence of many new competitors making headway in the trustee industry. The competitors have started making a foothold in the industry, riding on technology and packaging of value added products in this market, viz. arrangers, wealth management, fund accounting. This has led to southward movement in the pricing of various services viz. debenture trustee, security trustee, Securitisation, AIF leading to the market becoming extremely competitive & price sensitive. Your Company has been able to withstand the pressure through strong client relationships nurtured over the years and established domain expertise/ quality of service. Your Company has taken number of steps viz. increasing the number of locations / geographical coverage, product lines, business teams, servicing teams, support teams and continues to re-orient itself while keeping an eye on the ever evolving market dynamics. Your Company continues its sharp focus on delivering impeccable customer service by improving the process and systems.

The Trustee industry is growing in relevance, empowered with higher accountability, roles & responsibilities. By doing independent monitoring of compliances & periodic checks, your Company is supplementing regulators' intent towards improved value / protection to investors and facilitating better governance leading to increased issuer & investor confidence, larger participation & market deepening. Powered by strong parentage/ brand, proven product expertise & regulatory understanding, strong corporate governance & leading industry practices, your Company is the preferred Trustee for regulatory policy formulation & revamp manifested by ATSL's presence & contribution in many SEBI formulated working groups.

Your Company has also set up an Advisory Panel of market experts, consultants and advisors and onboarded few distinguished individuals to strengthen its product innovation, outreach & research capabilities. Your company has undertaken many industry leading employee initiatives primarily in the field of learning & development by conducting certification program on Fintech in Capital Markets, Fund Administration etc.

Your Company is well poised for steady growth and market share given its wider offerings, market presence, digital solutioning capabilities apart from process re-engineering, strengthening talent onboarding, skilling & training.

INDEPENDENT AUDITOR'S REPORT

To the Members of Axis Trustee Services Limited

Report on the Audit of the Financial Statements

Opinion

We have audited the accompanying financial statements of Axis Trustee Services Limited ("the Company"), which comprise the Balance sheet as at March 31, 2023, the Statement of Profit and Loss and the Cash Flow Statement for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013, as amended ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2023, its profit/loss and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the financial statements in accordance with the Standards on Auditing (SAs), as specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the 'Auditor's Responsibilities for the Audit of the Financial Statements' section of our report. We are independent of the Company in accordance with the 'Code of Ethics' issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Other Information

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Director's report but does not include the standalone financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether such other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibility of Management for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Companies (Accounting Standards) Rules, 2006 (as amended) specified under section 133 of the Act, read with the Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the

Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that

may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the "Annexure 1" a statement on the matters specified in paragraphs 3 and 4 of the Order.
2. As required by Section 143(3) of the Act, we report that:
 - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
 - (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
 - (c) The Balance Sheet, the Statement of Profit and Loss and the Cash Flow Statement dealt with by this Report are in agreement with the books of account;
 - (d) In our opinion, the aforesaid financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Companies (Accounting Standards) Rules, 2006 (as amended) specified under section 133 of the Act, read with the Companies (Accounts) Rules, 2014;
 - (e) On the basis of the written representations received from the directors as on March 31, 2023 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2023 from being appointed as a director in terms of Section 164 (2) of the Act;
 - (f) With respect to the adequacy of the internal financial controls with reference to these financial statements and the operating effectiveness of such controls, refer to our separate Report in "Annexure 2" to this report;
 - (g) In our opinion, the managerial remuneration for the year ended March 31, 2023 has been paid / provided by the Company to its directors in accordance with the provisions of section 197 read with Schedule V to the Act;
 - (h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company does not have any pending litigations which would impact its financial position;
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses;
 - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.
 - iv. a) The management has represented that, to the best of its knowledge and belief, other than as disclosed in the note XX to the financial statements, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the company to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

b) The management has represented that, to the best of its knowledge and belief, other than as disclosed in the note 36 to the financial statements, no funds have been received by the company from any person(s) or entity(ies), including foreign entities (“Funding Parties”), with the understanding, whether recorded in writing or otherwise, that the company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party (“Ultimate Beneficiaries”) or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and

c) Based on such audit procedures that were considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (a) and (b) contain any material misstatement.

- v. The dividend declared or paid during the year by the Company is in compliance with section 123 of the Act.
- vi. As proviso to Rule 3(1) of the Companies (Accounts) Rules, 2014 is applicable for the Company only w.e.f. April 1, 2023, reporting under this clause is not applicable.

ANNEXURE 2 TO THE INDEPENDENT AUDITOR'S REPORT OF EVEN DATE ON THE FINANCIAL STATEMENTS OF AXIS TRUSTEE SERVICES LIMITED

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls with reference to financial statements of Axis Trustee Services Limited ("the Company") as of March 31, 2023 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's Management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls with reference to these financial statements based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, as specified under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls, both issued by ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to these financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to these financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements included obtaining an understanding of internal financial controls with reference to these financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls with reference to these financial statements.

Meaning of Internal Financial Controls with Reference to these Financial Statements

A company's internal financial controls with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial controls with reference to financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding

prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls with Reference to Financial Statements

Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial control with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, adequate internal financial controls with reference to financial statements and such internal financial controls with reference to financial statements were operating effectively as at March 31, 2023, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note issued by the ICAI.

Notes to Financial statements for the year ended 31 March 2023

1. Corporate information

Axis Trustee Services Limited (the “Company”) is a public company domiciled in India and incorporated under the provisions of the erstwhile “the Companies Act, 1956” (now “the Companies Act, 2013”). The Company is a wholly owned Subsidiary of Axis Bank Limited. The Company is engaged in the business of Trusteeship activity namely Debenture Trusteeship/ Security Trusteeship/Security Agency/Lenders' Agency/Facility Agency/ Trusteeship for Securitisation Issuances/Escrow Agency/Custodian Agent/ Alternate Investment Fund/Real Estate Investment Trust/Infrastructure Investment Trust etc.

2. Basis of preparation

The financial statements of the Company have been prepared in accordance with the accounting principles generally accepted in India (Indian GAAP). The Company has prepared these financial statements to comply in all material respects with the notified accounting standards under Section 133 of the Companies Act 2013, read together with paragraph 7 of the Companies (Accounts) Rules 2014 and Companies (Accounting Standards) Rules, 2021. The financial statements have been prepared on an accrual basis and under the historical cost convention.

The accounting policies adopted in the preparation of financial statements are consistent with those of previous year.

2.1. Summary of significant accounting policies :

(a) Use of estimates

-The preparation of financial statements in conformity with Indian GAAP requires the management to make judgments, estimates and assumptions that affect the reported amounts of revenue, expenses, assets and liabilities and the disclosure of contingent liabilities at the end of reporting period. Although these estimates are based upon the management’s best knowledge of current events and actions, uncertainty about these assumptions and estimates could result in the outcomes requiring a material adjustment to the carrying amounts of assets or liabilities in future periods.

(b) Retirement and other employee benefits

Retirement benefit in the form of provident fund is a defined contribution scheme. The contributions to the provident fund are charged to the Statement of Profit and Loss for the year when an employee renders the related service. The Company has no obligation, other than the contribution payable to the provident fund.

The Company operates gratuity as a defined benefit plan for its employees. The costs of gratuity under the Company’s plans are determined on the basis of actuarial valuation at each year-end. Separate actuarial valuation is carried out using the projected unit credit method. Actuarial gains and losses are recognized in full in the period in which they occur in the statement of profit and loss.

Accumulated leave, which is expected to be utilized within the next 12 months, is treated as short-term employee benefit. The Company measures the expected cost of such absences as the additional amount that it expects to pay as a result of the unused entitlement that has accumulated at the reporting date.

(c) Property, Plant and Equipment

Property, Plant and Equipment (including intangible assets) are stated at cost, net of accumulated depreciation and accumulated impairment losses, if any. The cost comprises the purchase price and any directly attributable cost of bringing the asset to its working condition for its intended use. Gain or losses arising from de-recognition of property, plant and equipment (including intangible assets) are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognized in the statement of profit and loss when the asset is derecognized.

(d) Depreciation/Amortization on Property, Plant and Equipment

Depreciation on property, plant and equipment is provided using the Straight Line Method ('SLM') using the rates arrived at based on the useful lives estimated by the management. Intangible assets are amortized on a straight line basis over the estimated useful life. The Company has used the following rates to provide depreciation/amortization on its Property, Plant and Equipment (including intangible assets):

	Useful Life as per Management (SLM)	Useful Life as per Schedule II (SLM)
Computers	3 years	6 years
Computer Server	3 years	6 years
Office equipment	5 years	5 years
Mobile instruments	2 years	5 years
Furniture and Fixtures	10 years	10 years
Software	5 years	5 years

The management believes that depreciation rates currently used fairly reflect its estimate of the useful lives and residual values of fixed assets, though these rates in certain cases are different from lives prescribed under Schedule II of Companies Act, 2013.

(e) Impairment of property, plant and equipment and intangible assets

The Company assesses at each reporting date whether there is an indication that an asset may be impaired. If any indication exists, or when annual impairment testing for an asset is required, the Company estimates the asset's recoverable amount. An asset's recoverable amount is the higher of an asset's net selling price and its value in use. The recoverable amount is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or groups of assets. Where the carrying amount of an asset exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. In determining net selling price, recent market transactions are taken into account, if available. If no such transactions can be identified, an appropriate valuation model is used.

After impairment, depreciation/amortization is provided on the revised carrying amount of the asset over its remaining useful life.

(f) Intangible Assets

Intangible assets are amortized on a straight line basis over the estimated useful economic life. The company uses a rebuttable presumption that the useful life of an intangible asset will not exceed five years from the date when the asset is available for use. If the persuasive evidence exists to the effect that useful life of an intangible asset exceeds five years, the company amortizes the intangible asset over the best estimate of its useful life.

Such intangible assets and intangible assets not yet available for use are tested for impairment annually, either individually or at the cash-generating unit level. All other intangible assets are assessed for impairment whenever there is an indication that the intangible asset may be impaired.

(g) Revenue recognition

Revenue is recognized to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured.

Annual Fees for trusteeship services and servicing fees are recognized, on a straight line basis, over the period when services are performed. Initial acceptance fees for trusteeship services is recognized as and when the 'Offer Letter' for the services to be rendered is accepted by the customer.

Interest income on fixed deposits is recognized on a time proportion basis taking into account the amount outstanding and the applicable interest rate. Interest income is included under the head "Other income" in the statement of profit and loss.

Realized gains and losses on mutual funds are dealt with in the statement of profit and loss. The cost of units in mutual fund sold are determined on FIFO basis for the purpose of calculating gains or losses on sale/redemption of such units.

(h) Income taxes

Tax expense comprises current tax and deferred tax. Current income tax is measured at the amount expected to be paid to the tax authorities in accordance with the Income Tax Act, 1961 enacted in India. The tax rates and the tax laws used to compute the amount are those that are enacted or substantially enacted, at the reporting date.

Deferred income taxes reflect the impact of timing differences between taxable income and accounting income originated during the current year and reversal of timing differences of earlier years. Deferred tax is measured using the tax rates and the tax laws enacted or substantively enacted at the reporting date. Deferred tax liabilities are recognized for all taxable timing differences. Deferred tax assets are recognized for deductible timing differences only to the extent that there is reasonable certainty that sufficient future taxable income will be available against which such deferred tax assets can be realized. In situations, where the Company has unabsorbed depreciation or carry forward tax losses, all deferred tax

assets are recognized only if there is virtual certainty supported by convincing evidence that they can be realized against future taxable profits.

At each reporting date, the Company re-assesses unrecognized deferred tax assets. It recognizes unrecognized deferred tax asset to the extent that it has become reasonably certain or virtually certain, as the case may be that sufficient future taxable income will be available against which such deferred tax assets can be realized.

The carrying amount of deferred tax assets are reviewed at each reporting date. The Company writes down the carrying amount of a deferred tax asset to the extent that it is no longer reasonably certain or virtually certain, as the case may be, that sufficient future taxable income will be available against which deferred tax asset can be realized. Any such write-down is reversed to the extent that it becomes reasonably certain or virtually certain, as the case may be, that sufficient future taxable income will be available.

(i) Segment information

The Company is engaged primarily in the trusteeship business and its business operations are concentrated in India. Accordingly there are no separate business segments and geographical segments as per Accounting Standard 17 – Segment Reporting issued by The Institute of Chartered Accountants of India.

(j) Earnings per share

Basic earnings per share is calculated by dividing the net profit or loss for the period attributable to equity shareholders (after deducting attributable taxes) by the weighted average number of equity shares outstanding during the period.

For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

(k) Provisions

A provision is recognized when the Company has a present obligation as a result of past event; it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation, and a reliable estimate can be made of the amount of obligation. Provisions are not discounted to its present value and are determined based on best estimate required to settle the obligation at the reporting date. These estimates are reviewed at each reporting date and adjusted to reflect the current best estimates.

- Events of non-recovery and provisioning

In the event of non-recovery of fees provision for doubtful debts would be made as under: -

a. Onetime fee and initial acceptance fee

On the expiry of 90 days from the end of the contractual due, the amount of invoice due and not received may be provided for in the quarter from the end of the contractual due date of invoice. (ie, Contractual due date is 45 days (as per MSMED Act).

b. Annual Fee

Where the invoices remain unpaid for more than 180 days from the end of the contractual due date 50% of such unpaid value to be provided for, and 100% of value to be provided for where value remain unpaid for more than 365 days from contractual due date. (ie, Contractual due date is 45 days (as per MSMED Act).

In case of annual fees raised in certain existing cases which falls under NCLT/stressed cases, 50% of the provisions to be made on expiry of 90 days from the end of the contractual due date and remaining 50% of the unpaid balance to be provided for on the expiry of 180 days from the end of contractual due date. (ie, Contractual due date is 45 days (as per MSMED Act).

(l) Contingent Liabilities

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the Company or a present obligation that is not recognized because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare cases where there is a liability that cannot be recognized because it cannot be measured reliably. The Company does not recognize a contingent liability but discloses its existence in the financial statements.

(m) Cash and Cash Equivalents

Cash and cash equivalents for the purpose of Cash Flow Statement comprise cash at bank and in hand and short-term investment with an original maturity of three months or less.

(n) Leases

Where the company is lessee;

Leases, where the lessor effectively retains substantially all the risks and benefits of ownership of the leased item, are classified as operating leases. Operating lease payments are recognized as an expense in the statement of profit and loss on a straight-line basis over the lease term.

(o) The Company has registered itself into as MSME unit having Udyog Aadhar Numabr- MH19E0033585 dt.26th June 2018 under the Micro, Small and Medium Enterprise Development Act , 2006

(p) Social Security Code

The Code on Social Security, 2020 ('Code') relating to employee benefits during employment and post-employment benefits received Presidential assent in September 2020. The Code has been published in the Gazette of India. However, the date on which the Code will come into effect has not been notified and

the final rules/interpretation have not yet been issued. The Company will assess the impact of the Code when it comes into effect and will record any related impact in the period the Code becomes effective.

(q) During the previous year ended March 31, 2022, a company has filed a complaint against the Company (as president of TAI) and certain other trustee company and the Trustees Association of India (TAI) (together as 'Parties') before the Competition Commission of India ('CCI') for alleged cartelization. The CCI passed a prima-facie order directing its investigative arm, the Director-General, to investigate the matter.

The Parties have challenged the CCI's investigation before the Bombay High Court on the ground that they are governed by Securities Exchange Board of India ('SEBI'), which is the concerned sectoral regulator under the SEBI Act, 1992 and the relevant regulations. On April 11, 2022, the Bombay High Court granted interim relief to the Parties, staying the CCI's investigation and directing SEBI to complete its inquiry and form its prima- facie view within two months.
